

- Can I move safely throughout my home, including on stairs and through doorways?
- Can I use the bathroom and kitchen without undue difficulty or risk?
- Can I manage medications, meals, and everyday household tasks?
- Can I get to appointments, shop for necessities, and maintain social connections?
- Can I keep up with home maintenance?
- Can I get help quickly in an emergency?
- Can I continue living here with reasonable modifications and support if my health or mobility changed?
